CCU Prepares for Grand Re-Opening of Lobby on Harbor View Road

Port Charlotte, FL – Charlotte County Utilities, 25550 Harbor View Rd in Port Charlotte, will be celebrating its Business Office and Lobby Payment Window Grand Re-Opening on Wednesday, February 16, 2005, 8:30-4:30 p.m.

Additional staff will be on hand to answer questions and assist customers as we return to normal business practices. A lobby display, "*Water Conservation Tips and Tools*" will feature booklets, educational materials and handy water conservation tools to help residents reduce their water consumption and save money. Light refreshments will be served throughout the day.

The staff of Charlotte County Utilities would like to thank all customers for their patience while the East Port building was under repair from damages sustained during the active hurricane season. Although we are still working to renovate the lobby area, the building is safe and ready to receive customers. We look forward once again to providing full service to all CCU customers.

END
